

Resource of the Month: September 2017

People Smart: Friendship & Gullibility

NEW

One of a kind video modelling materials to help teach:

- Basic Friendship Skills
- Who and When Not to Trust

Includes activities and guides; along with 4 hours of video where actors depict real life scenarios that are common when dealing with friends, acquaintances and strangers. Some of the topics are:

- How to meet people
- Turning acquaintances into friends
- Deepening friendships
- Friendship vs. friendliness
- Trouble with strangers
