Individual Rights DVD has embraced many people's voices ~ individuals, staff, and guardians. The power of people's voices were used in creating this resource in which to raise awareness about the rights of individuals as full citizens in their community and to empower individuals to exercise their rights, control and choice. It is a tool that will assist individuals, families/guardians, agency staff and the community to embrace individual's rights and apply them into an individual's everyday life.

## Key Benefits

- Creates awareness on individual rights
- Empowers people to exercise their rights, control and choice
- Is a resourceful tool for people with developmental disabilities, families/guardians, agency staff and the community to become aware of individual's rights and how they can be applied into someone's everyday life.

## Pricing

- Individual Rights DVD – \$20

“Inspiring people with developmental disabilities to drive change in their communities as engaged and empowered citizens”
